B-706 Highpoint Avenue • Waterloo • Ontario • 519-725-5259 • igor@leaddog.ca

HIGHLIGHTS of SKILLS and QUALIFICATIONS

- 13 years of experience in mountain bike trail design, building, and management
- Highly accomplished mountain bike racer
- 20 years of employment in marketing and advertising
- Friendly and communicative personality with strong interpersonal and leadership skills

RELEVANT EXPERIENCE

Subcontract Trail Designer and Builder

Transitions Bike Park Design & Development Inc., Kitchener, Ontario

2013 - Present

- Prepared trail development estimates and proposals for summer camps and municipalities
- Designed and built cross-country single-track mountain bike trails
- Hired builders and supervised complex projects
- Shaped BMX jumps
- Operated construction machinery and power tools

Accomplishments:

- Created a mini mountain bike park that became an attraction, among other world-class sports complexes in one the most respected premier residential camps in North America

Mountain Bike Park Developer

Hydrocut Mountain Bike Trails, Waterloo, Ontario

2001 - 2014

- Responsible for the management and maintenance of the MTB park and its 25 km trail network
- Planned and led complex projects, delegated tasks, supervised the quality of work and progress
- Prepared and coordinated the communications materials, including the website (<http://hydrocut.ca/>), trail maps, trail signage and information kiosks
- Successfully promoted membership, volunteering and sponsorship involvement
- Organized events such as trail days, board meetings, negotiations, conferences and fund-raising

Accomplishments:

- Conceptualized and created the Hydrocut Mountain Bike Trails park; a highly renowned prime quality trail network, valued tourist destination, which attracts 400 users daily
- Laid-out and built trails in an environmentally sustainable and erosion safe way, with minimal impact on the surrounding nature, while greatly reducing the maintenance requirements
- Initiated and facilitated the signing of an unprecedented legal Stewardship Agreement between the Region of Waterloo (the landowner) and the Waterloo Cycling Club (the stakeholder)
